

IGI Quality Mark Certificate

This is to certify that **PARATO SRL.** – Via della Tecnica 28/35 – 04011 Aprilia (Latina) – Italy.

Has by virtue of tests approved by IGI and carried out by Centexbel, Belgium, become qualified and entitled to use the IGI Quality Logo:

On Wallcovering products of that company in the following qualifications:

- Non Woven Backed Solid Vinyl
- Non Woven Direct Printed

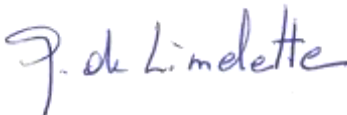

This certificate also records the existence of the company's own statement to IGI that its products are manufactured according to EN standards: EN 233:2016.

This certificate confirms that products (listed above) have been tested and :

- comply with French regulation (19th April 2011) on their emissions of volatile pollutants. Class A+.
- Comply with Belgian requirements of the Royal Decree for establishing threshold levels for the emissions to the indoor environment from construction products for certain intended uses (draft December 2012).

The said company therefore has become a full member of the IGI Quality Scheme, having also covenanted to keep its records up to date, and to inform IGI of any relevant changes to its production standards and product ranges.
